

# Homepage Changes

## Header/Navigation

- Move the wishlist and shopping cart to the far right end of the page like outwell. Also add the trade login icon. This should replace the location icon like outwell

- TENTS, VEHICLE AWNINGS AND MUCH MORE
- 
- 
- 
- 
- 
- Create separate "About Us" page and remove from homepage
- Use the Excel sheet navigation structure provided to build menu navigation
- Menu navigation should reference the provided Excel sheet
- Put new logo in top section

## Banner/Hero Section

- Change banner images to just only one image. It should not scroll.
- Top scrolling section (fast delivery, etc.) should scroll from left to right, NOT up to down

## Product Display

- Add "Popular Products" section with images and price just like how you did for new products

## Popular Product Sections

Customers mainly buy:

Hobbs

Fridges

Rooflights

Sinks

Mini Hekis / All of them

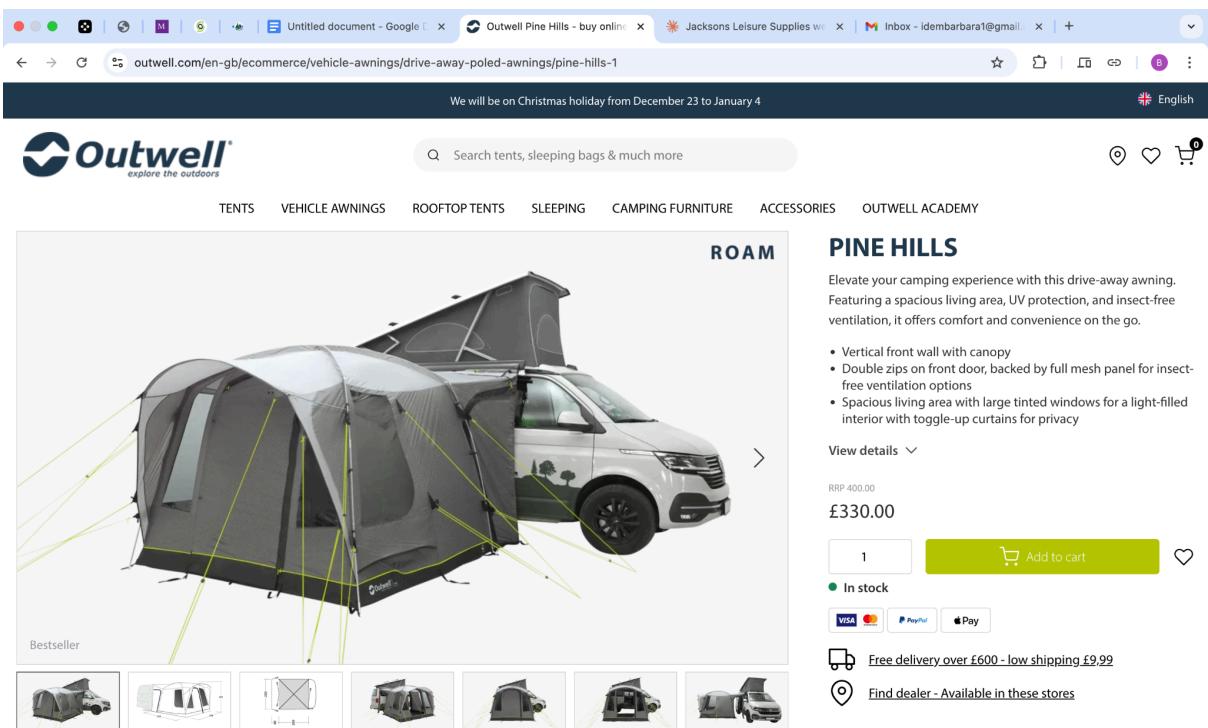

Microwave

Air con

- Add comparison shopping feature
- Remove product reviews
- Remove all star ratings across the site

## Product Pages

- Enable click & collect option in page layout. The click and collect should replace the find dealer location.

- Build accordion for product descriptions (underneath product info)

The Outwell Pine Hills drive-away awning is easy to pitch even on challenging terrain. This dome tent is accessible for all, packs small for easy storage, and offers an optional inner for extra sleeping space.

**BUY TOGETHER WITH**

- UNIVERSAL ACCESS ZONE GROUNDSHEET**  
RRP 30.00 £26.00
- COZY CARPET DAYTONA AIR / PINE HILLS**  
RRP 59.00 £50.00
